4. Refund of surplus money

Materials and Textbooks:

Where a student or parent/carer wishes to retain items produced because of art, craft and design, or design and technology, a charge may be levied for the cost of the materials.

In the case of Food Technology, students usually provide their own ingredients, however if the student forgets, a charge can be levied if ingredients are provided.

Textbooks are provided free of charge, however in some subjects, additional revision guides are made available, for which a charge is made.

Music Tuition:

The cost of peripatetic tuition is subsidised by the School.

No charge is levied where music tuition is an essential part of the National Curriculum, or a prescribed public examination syllabus followed by the pupil.

Remission of RMS fees is available when parents receiving music tuition are in receipt of relevant benefits.

Out of School activities:

No charge will be made for activities outside school hours that are part of the National Curriculum, or that form an essential part of the syllabus for an approved examination.

If a student is prepared, outside school hours, for an examination that is not set out in regulations (the full list of which is available from the School), a charge will be levied for tuition and other costs.

For all other activities outside school hours, a charge up to the cost of the activity will be levied.

Damage/Loss to property:

A charge will be levied in respect of wilful damage, neglect or loss of School

6. Additional Funds

The School welcomes extra funds raised by Parent Teacher Student Partnership groups and this income will be earmarked to purchase special items.

The Schools will make their facilities available to outside users at a charge of at least the cost of providing the facilities. Letting and hire of the Schools is conducted in line with each School's individual Letting and Use Policy which includes a scale of charges.

7. Equal Opportunities

Educational opportunities provided at TMET Schools during school hours are available to students regardless of ability to pay and that other activities are charged for in a fair and transparent way.
